

**John Weeks is on the Georgia Mountain Players stage yet again!**

**He has appeared in several Georgia Mountain Players shows; notably as Officer Jankie in *Everybody Loves Opal* and Louie in *Flaming Idiots*.**

**John has also been known to roam out front in the lobby, lending a hand when and wherever needed. You can bet that if John isn't in the lobby or onstage, he is working the lights or sound in the booth.**

**John loves working as a soccer official. He would like to thank his family for their love and patience. He also wants to express his sincere gratitude to Nancy, his wife of over 30 years, for her support and patience. Yes. Lots of patience.**
